Next Meeting

The Next meeting of the Corridor Woodturners will be held at 6:30 PM on Thursday August 12 at the shop of Tom and Stacy Nehl, 1008 Rolling Glenn Rd, Marion IA. Stacy Nehl will present making a ‘Sunset Plate’

Upcoming Meeting Programs

- August 12 Sunset Bowl– Stacy Nehl
- September 11 Picnic- Challenge project
- October 14 Christmas Ornaments– John Cox
- November 11 Dyeing-Tom Nehl
- December 4 Christmas Party at Antioch Church.
No meeting December 9
- January 13 TBD

President’s Christmas Gift Promotion

As he did last year, President Tom Mills asks for your photos of items you are making to give as presents this Christmas. No names will be attached so you won’t be able to tell who made what. He will compile them and ask for the members to rate them. A prize or prizes of some sort will be awarded to the winners. Send your photos to tgmills@mchi.com

Last Meeting

Bruce Kruse demonstrated making a Turkey Pot Call. This is a game call for turkey hunters. The dimensions and instructions for constructing a call as well as web sites for kits and/or parts are listed at the end of the article if you don’t want to make your own. Bruce showed several types of cover plates and indicated you can make your own if desired. It may help to enlarge the newsletter to more easily read the instructions.

Refining the inset in the pot for the cover plate and the height of the pedestal. Pots can be made of many different woods or other materials. Check the listed web sites for ideas.

From the President

Greetings, turners. I've got some great news! Starting in January, 2022, the club will return to holding meetings in the Marion High School wood shop. We owe a debt of gratitude to Tom and Stacy Nehl for holding meetings in their shop during the pandemic.

Remember to sign up for and complete your challenge project, to be unveiled at the September 11 club picnic. I've got mine done already. The challenge can be anything you've never done before. There's a cash prize by random drawing.

Speaking of picnic, the club picnic will be Sept 11 at the Nehl's house. Bring chairs, table service, and a dish to pass (meat and drink will be provided). There will be a silent auction, a show and tell, display of the challenge projects, and the awarding of the hollowing system raffle.

We're always looking for ideas for the monthly demos. If you have an idea, or especially if you'd like to present a demo, talk to me and we'll get you lined up. Also, see elsewhere in the newsletter of the Christmas ornament challenge from Alan Stratton. This could be a great club activity. Our October meeting will feature demos of several ornament styles.

The board has decided to go to in-person only meetings. The Zoom option was a lot of effort, and was sparsely used after we resumed in-person.

The club website (www.corridorturners.org) is getting some much-needed TLC these days. We'll try to keep the updates regular and add more info in the coming months. If you'd like to help in this effort, talk to me. We could use a webmaster or webmistress on a regular basis.

Hope to see everyone at the August 12 club meeting. Get out in the shop and get your work done.

---Tom Mills

Christmas Ornament Challenge

To: Club President & Leaders

I am Alan Stratton. I host a Christmas Ornament Challenge every year. Coming up is the 10th annual challenge. I would appreciate your help in spreading word on the challenge. And, there is something in it for the club.

To enter, all the participant needs to do is:

Complete a Christmas or holiday ornament. Ornaments from other faiths are also welcome.

Take or compose one still picture featuring the ornament.

Enter their information and upload the picture at www.AsWoodTurns.com/challenges during the month of November. The challenge closes when November 30 closes.

The ornament may utilize any craft- it is not restricted to woodturning.

Do something good with the ornament.

We have a process for selecting winners.

As we did last year, we will ask for a club affiliation. For the clubs with the most people entering the challenge, I will offer an interactive remote demonstration at no charge.

More details are at www.AsWoodTurns.com/challenges or www.OrnamentChallenge.com

The challenge is a lot of fun and a great way to help celebrate Christmas or the winter season. Personally, I love the diversity that I see.

Thank you

Alan Stratton

Dues Structure and Meeting Attendance Policy

Club dues are:

\$25.00 per year for an General membership.

\$30.00 per year for a Family membership

\$100.00 per year for a Supporting membership.

Dues are for the calendar year January 1 thru December 31 with a grace period ending at the close of the February meeting. New membership cards will be distributed at the March meeting.

Dues paid in September and later by NEW members will be considered in force for the rest of that calendar year plus the following calendar year.

Potential members may attend two meetings as a guest then must either join the club or pay 1/4 of the current general membership fee to attend a regular meeting.
