## From the President

Tom Nehl

Greetings Fellow Turners,

I hope this note finds everyone well. I am looking forward to seeing many of you Thursday evening for our first hybrid meeting both in person and on zoom. We are expecting to see a large number of show and tell items. Tom Mills will be the demo on turning a tagua nut, Sounds like a good time.

We will be doing an election of officers, so this will be my last meeting as president. It has been a pleasure to be of service although this last year has been trying. We need someone to step up and fill the office of vice president, this is a two year position followed by two years of presidency. Being a board member is a very rewarding experience.

The corridor woodturners and crafters will be having a tool swap meet on Saturday June 26th at the Nehl’s shop and driveway from 10 to 4, contact Tom Nehl for more information.

As my term comes to a close I want to thank everyone for the support I’ve received from the membership. Hoping to see many of you Thursday evening here in our shop.

Tom Nehl
