## Next Meeting

The Next meeting of the Corridor Woodturners will be held at 6:30 PM on Thursday April 8. Tom Nehl will show several hollowing tools he has made and Bruce Kruse will present a program on hollowing, showing several different tools and then hollowing a small Christmas style globe ornament. During the Zoom meeting, participants will be muted, but someone will be monitoring the chat window, and relay any questions to Bruce or Tom.

**This meeting will be over Zoom only; there is no in-person meeting. The Zoom meeting info is below.**

**Topic: Corridor Woodturners April Meeting**

**Time: Apr 8, 2021 06:30 PM Central Time (US and Canada)**

### Join Zoom Meeting

<https://us02web.zoom.us/j/5726199920?pwd=a0FhVWltQVVKTU1CbWxPMIBKU0VPdz09>

**Meeting ID: 572 619 9920**

**Passcode: turner**

You don't have to have a Zoom camera set up to attend the zoom meeting. You will be able to see and hear but not be able to be seen or heard by installing the Zoom program on your computer. If you don't already have the Zoom application installed on your PC or smart phone, it's best to do that ahead of time. Navigate to <https://zoom.us/download> and download the "Zoom Client For Meetings".

It'll ask for your e-mail address and have you create a personal password. Alternatively, if you click the link in the e-mail, it'll automatically prompt you to download and install the app the first time you try to join a meeting. Enter the meeting ID and the password and follow the prompts.

One of the things you'll find helpful during the meeting is to select "Speaker View" instead of "Gallery View" in the upper right corner of the screen. This will bring the selected image into full-screen.

Double-click on the image you want to display in speaker view. During the club meeting, we'll probably mute everyone, so the presenter's voice doesn't cut out. If you want to ask a question, we're suggesting you use the chat feature.

### Remembering

Lee Herr passed away on February 12. Lee was a member for a year or so and was always eager to help and contribute to club activities. A memorial gift was given to the Amana Church in Lee's name.

## From the President

Greetings fellow turners,

Welcome spring! Warm weather today made it good to be outside all day. Lots of yard work to do this year but got a lot done today.

This month our meeting will again be a zoom meeting, it will be on hollowing. Bruce will show and demonstrate various hand held tools both bought and home-made. I will also be showing some of ours. For those of you who haven't done any hollowing I would suggest starting small and working up to larger projects if you desire. I will also do a short demo with a captive hollowing system the club will be raffling off at some point.

As many of us have been or will soon be vaccinated for covid 19 I anticipate in person meetings in the near future.

Some of you already know Stacy's job is moving to Texas. We have until July to let Toyota know our intent, move our quit. At this time we feel the move is the best option but have a lot of unanswered questions so that may change. If we do move it would be sometime between Oct. and Jan. of next year. This would mean selling our house and shop, maybe even some equipment. Anyone who is interested in buying our place contact us. At some point we will be having garage sales, tool sales and wood sales, we will keep the club informed.

I have three small hollowing tools I made after the Janice Levi demo that we will be giving away after the meeting, everyone signing into the meeting will be entered into the drawing.

As always, stay safe and keep on turning.

Tom Nehl
