Next Meeting

The Next meeting of the Corridor Woodturners will be held at 6:30 PM on Thursday January 9, at the Marion High School wood shop, 675 S. 15th St. Marion, Iowa.

The program will be a video and discussion on food safe finishes. The Project of the month will be a winged or natural edged bowl as demonstrated by Brad Davis at the November meeting.

Last Meeting

The December meeting was the annual Christmas party held with the Corridor Wood Crafters. Santa brought plenty of nice and big pieces of wood to give out as door prizes for the turners and the crafters found plenty of items in Santa's bag too. As usual the clubs provided the meat and drinks and the members brought plenty of good food for all to enjoy. There were 68 attending the gathering and all members went home with a door prize.

From the President

Happy New Years to all,

It's 2020 I hope everyone had a safe and happy holiday. 2020 dues remain at \$25 for a single and \$30 for a family. Membership forms can be downloaded from the clubs website, be filled out and brought to a meeting, mailed or delivered to a board member.

This month's meeting will be on food safe finishes. Hopefully a video and discussion will be helpful to those of us who have asked or been asked about this.

We will have entry forms available for the carvers and turners show March 7th & 8th at the Kirkwood center on Boyson Road in Hiawatha. There are 6 categories you can enter with no more than 2 entries in a category. To enter you must have a table to display and or sell your items. Several people can go together on a table. Tables are \$35 for a 6 foot table and must be covered on 3 sides. Please consider participating.

The CWT will also be doing turning demos throughout the show. The clubs new 12 16 Laguna lathe will be set up to use, please consider sharing your talents to promote the club.

Hope to see everyone Thursday evening at Marion High School.
