Next Meeting

The Next meeting of the Corridor Woodturners will be held at 6:30 PM on Thursday, Oct 10 at the Marion High School wood shop, 675 S. 15th St. Marion, Iowa

The program will be given by Tom Mills on turning small beads. Tom has a jig/system that greatly simplifies turning this process.

Upcoming Events

Regular Meeting October 10-Tom Mills turning small beads @MISD wood shop.

Regular Meeting-November14-Texturing tools and methods @MISD wood shop.

Regular Meeting-December-Christmas Party December 14 at Antioch Christian Church

Regular meeting January 10-Food safe finishes. @MISD wood shop.

Club Lathes for Sale

The board of directors has been discussing the sale of the Rikon and Delta club lathes with the idea of upgrading to newer lathes with electronic variable speed capability. Price in the \$200-\$300 range has been suggested however no set price has been determined. If you would like to inquire about purchasing one of the lathes contact a board member so they can determine the interest within the club. The lathes will be the basic lathe and stand, with accessories originally included. No chucks will included.

Last Meeting

Last month was the annual picnic. There were lots of items to bid on in the raffle and plenty of good eats as well as 6 lathes for demonstrations of turning techniques for beginners and seasoned turners. Don Coleman was the winner in the challenge project drawing

with his Cherry and Red Heart staved vessel.

Members of a local photo club came to take pictures during the open turning sessions and their pictures are displayed throughout the newsletter. Thanks to them and their very keen eyes.

Message From the President

Hello all,
Fall is here, leaves are falling bringing more work outside. Had a great time at the picnic with food, fun and a few wood chips flying. We had some very nice items on the auction this year and some real bargains were found.

The demo and sale at the swamp fox farmers market was OK, but I would have liked to see a little more participation from club members. Along those lines, please take a look at some potential demos in the list below the board has thought my be of interest to the membership and see if there is possibly something listed that you could put together a 30-45 minute demo on.

This month's meeting is back at the high school, looking forward to seeing you there. On Oct.12th, Robust wood lathes will be having their open house at the factory in Barneveld Wisc. This year's free demo will be by guest turner Mark Sfirri who is known for multi axis turning. He is the guy who turns baseball bats with a knot in them, very cool. There will be door prizes and in-house specials on Robust products. There will be several of us leaving our shop at 6:00-6:30 on the 12th.

Also on Sunday Oct 20 there will be a carvers and turners show in Madison. This is a

Tom Nehl great show from 9:00-4:00 at the Abundant Life Christian School, 4901 east Buckeye road Madison, Wi. Hope to see everyone Thursday night at the high school. Happy safe turning, Tom Nehl

Possible Future Programs

- Tool Usage / Safety
- 4 Minute Finishes - Friction Polish Use
- Incorporation LED Strip Lighting
- Decorative Corner Molding
- Carving
- Moderated Random Q & A
- Turning with Provenance (*Project of the Month*)
- Potpourri Pots
- Wood Rings / Bracelets
- Rob Wallace Program
- Beads / Coves / Texturing
- How to Build Woodburning Pens
- Off Center Jigs
- Captive Ring Techniques
- Skew Sharpening / Types / Use
- Gouge / Types / Uses
- Casting Acrylic
- Turning PVC

Binh Pho Wood Purchase Opportunity

Brad Davis recently purchased all of the wood from Binh Pho's estate. If you are interested in purchasing any of this wood you may contact him at 563-920-5596. There are approximately 11000 lbs. to view. He will also be having a 1 or 2 day sale at a date to be determined. Burls, highly figured wood as well as exotic boards.

Library Information

Do you use the literature library? What items would you like to see added, what would make it easier to use? See Gary Nosek and make your wishes known. If you have materials out be sure to bring them back so other members can use them. There have been several new additions to the library in the past few months, be sure to look them over.

New to the library this month are 2 volumes of techniques and one volume of instant gallery & critique presented at the national symposiums in 2003 and 2005. Also added is a DVD from the Lyle Jamison presentation at Jordan Ferr's shop when he was here in 2009.

Dues Structure and Meeting Attendance Policy

Club dues are:

\$25.00 per year for an General membership.

\$30.00 per year for a Family membership

\$100.00 per year for a Supporting membership.

Dues are for the calendar year January 1 thru December 31 with a grace period ending at the close of the February meeting. New membership cards will be distributed at the March meeting.

Dues paid in September and later by **NEW** members will be considered in force for the rest of that calendar year plus the following calendar year.

Potential members may attend two meetings as a guest then must either join the club or pay 1/4 of the current general membership fee to attend a regular meeting.
