Next Meeting

The Next meeting of the Corridor Woodturners will be held at 6:30 PM on March 10th at the Marion High School wood shop, 675 S. 15th St. Marion, Iowa.

Tom Mills will give a program on captive rings.

The Project of the month for March is a travel mug.

Upcoming meetings

March 10, Captive rings– Tom Mills

April 14, Eggs– Jim Bodin

May 12, Boxes– Don Coleman

June 9, Safety–

We need demonstrators for Meetings the rest of the year.

If you have any ideas or projects, step up and show the club how you do them.

Dues for 2022

Please go to the web page and download the renewal form and present it and your payment to Don Coleman at the March meeting or if you wish, mail the form and your payment to Don at the address listed on the form.

The dues remain at \$25 per year or \$30 for a family. New membership cards for those who have paid will be included with your name tag at the March meeting. The membership card may be used for a discount at some stores that cater to woodturners, be sure to ask.

Last Meeting

Last month Don Potter walked us through making one of his insulated beverage containers. He started with a solid block and explained the chucking method and the drilling of the main body.

Fitting the insert into the turned body takes some trial and error to get a proper fit.

A complete set of directions is available from Craft Supplies– Turning a Travel Mug.

President's message

Sorry for missing the February meeting. I had gotten COVID about a week before, and I was still not feeling well, not to mention that I was isolating myself. Thankfully, my symptoms were mild; not much different from a common cold. I have to believe that the vaccines are the reason it wasn't more serious. I'm back to normal now.

We give a shout-out to Jeremy Hansen, who is departing the board of directors. Thanks, Jeremy, for contributing your time and talents to the board for so long.

The Carvers / Turners show at the Czech and Slovak museum this last weekend was fun. We had 8 or so tables from the turners displaying and selling their works. The demo lathe ran almost non-stop and entertained the crowds. We met a lot of folks, and possibly some new club members. Thanks to all who helped and participated.

We will continue to collect dues for 2022 at the March meeting. They were due at the January or February meetings, but we'll continue to accept them. Dues are \$25 for the year, \$30 for families. You must include the membership/renewal form with your payment! The form is the most reliable way for us to keep track of who you are, and if you have an address or phone number change. You can find that form on the club website. With your renewal, you'll get a membership card, which can get you discounts on select items at Acme and Woodcraft.

I'm the presenter this month, entering the spotlight with a demonstration of captive rings. I'll talk about the tooling available, and I'll show the way that I make them.

We will have a Project-of-the-Month drawing for a gift card for those who bring their items that were demonstrated last month. Bring your travel mugs to the March 10 meeting (Thanks, Don Potter), and describe it during show-n-tell time. Next month, bring your captive ring projects.

The Marion Arts Festival is returning on May 21. Our club will be participating in the empty bowls project. We will donate bowls to be sold at the Festival, with the proceeds going to the Churches of Marion Food Pantry, Linn Community Food Bank, and the Willis Dady Homeless Services. Start now to turn your projects into cash benefiting our community!

If you have some ideas for future meeting topics, make sure to let the board know. If you'd like to present a technique or project you've done, we encourage you to give a demonstration yourself.

Get out in the shop and get your work done. You know you want to.

---Tom Mills

For Sale

Have something for sale? Let the club members know about it here. Get the info to John Cox to be added to the next newsletter

Library Information

Do you use the literature library? What items would you like to see added, what would make it easier to use? See Gary Nosek and make your wishes known.

Turn-On Chicago is Back!

A note from Al Miotke

Chairperson, Turn-On Chicago.

We have a fantastic line-up of demonstrators including **Beth Ireland, Cynthia Carden, Andy Cole, Jacques Vesery, Avelino Samuel, Eric Lofstrom, Keith Lackner, Roberto Ferrer, Clint Stevens, Marie Anderson, and Rob Wallace.** You can also count on seeing an excellent tradeshow area, instant gallery with awards, banquet, auction, hands-on pen turning event to support our troops, and a WIT meeting.

The location of the event has changed this year. The symposium is being held at the Crowne Plaza-Northbrook Hotel and Convention Center. This is a newly renovated facility with an attached hotel so everything is under one roof. It is also easy to get too and is close to interstate highway 294 in Northbrook, Illinois. Registration will be opening soon, but you can learn more about the event and the convention center by visiting the website.

www.turnonchicago.com.

Dues Structure and Meeting Attendance Policy

Club dues are:

\$25.00 per year for an General membership.

\$30.00 per year for a Family membership

\$100.00 per year for a Supporting membership.

Dues are for the calendar year January 1 thru December 31 with a grace period ending at the close of the February meeting. New membership cards will be distributed at the March meeting.

Dues paid in September and later by **NEW** members will be considered in force for the rest of that calendar year plus the following calendar year.

Potential members may attend two meetings as a guest then must either join the club or pay 1/4 of the current general membership fee to attend a regular meeting.
